## ESCORT POLICY FOR SEDATION PATIENTS

We are committed to providing you with an outstanding and comfortable Dental Experience. The Pre-Medication that you were prescribed can aid in making your visits less stressful, yet your safety is also our top priority.

We therefore insist that the "Designated Driver" for your appointments physically escort you into the Reception Area prior to your appointment, and escort you from the Reception Area into the vehicle. Your Driver can pull the car right up to our glass doors if you feel unsteady on your feet.

We also ask that your escort ensure that you are driven directly to your residence, with no shopping excursions, signing of legal documents, or operation of heavy machinery for the remainder of the day.

As the Pre-Medication can affect everyone differently, this will help ensure that your visit will be an enjoyable one from beginning to end!

We thank you (and your Designated Driver!) for your cooperation.

**\*\* THE CONSUMPTION OF CAFFIENE CAN INHIBIT THE DESIRED EFFECT OF THE PRE-MEDICATION. PLEASE DO NOT CONSUME COFFEE, TEA, SODAS OR ENERGY DRINKS WITH THE PRE-MEDICATION. \*\***

**Please take your medication as prescribed,  
bring the remaining pills with you,  
and arrive 15 minutes early.**

*I understand and agree to honor the escort policy of Dr. Brian Borodaty as outlined above. Failure to do so will result in the postponement of the treatment.*
